Sir

DISPOSAL of Street Sweeping for 1942-43
Chellakere Municipality
-000-

I have the honor to state that the right to remove the street sweepings in the Chellakere Municipality during the current year was sold in public auction on the 30th June 42 by the President One Karadi Thimmiah offered a bid of Rs 32/- per month The Council did not confirm the sale since the amount was very high On 4th September 1942, Karadi Thimmiah gave a statement before the President requesting that he may be given this contract for Rs 25/- per month The matter was placed before the council on 12th September 1942 and it was resolved that orders of Government may be obtained for engaging three carts at a monthly rate of Rs 25/- per cart permanently During 41-42 only two carts on a monthly rate of Rs 16/- were engaged The President has reported that the maintenance of an additional cart is very necessary and that the increased rate of Rs 25/- is reasonable in view of the fact that on account of scanty rainfall in the Taluk great difficulty is being experienced for adequate supply of fodder and also that due to the present situation living become very costly.

I request that sanction of Government may kindly be obtained for the maintenance of three conservancy carts at a monthly rate of Ps 25/- each during the currert year I have herewith forwarded the connected records for favour of kind reference and return

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner
Chitaldroog District
